Ambassadors of Enotah CASA

Ambassadors of Enotah are a county-based group of volunteers working to promote the public awareness and community support for Enotah CASA, Inc.

What is a CASA Ambassador?

CASA Ambassadors are people with big beautiful hearts to help, support and further the mission of those serving as Advocates for abused and neglected children in our area. Ambassadors serve as a behind-the-scenes team by providing support and assistance with fund raising efforts, community service project, speaking engagements and spreading the word about our mission and need.

Do you ever do projects with the children?

As an Ambassador your primary role is not working directly with children. However this year we are excited to be trying something a little different by hosting an appreciation event for the foster parents of Towns and Union Counties. The event will be held at the Towns County Pickleball Complex where the local Pickleball group is planning to teach our older children and foster parents how to play. The event will include a dinner, snacks and games for children of all ages. We also hope to have live music, crafts and other fun activities for all. This will be a great opportunity for you as a CASA Ambassador to get to meet some of the kids you are working behind-the-scenes for throughout the year.

How Can I Help?

Whatever your talents, you can help make a difference. From public speaking, hospitality, fund raising to event set up and clean-up, there are many ways you can get involved and make a difference as a CASA Ambassador. We have two primary fundraisers each year. A CASA Ambassador is key in making sure these events go smoothly. Ambassadors are needed to take tickets, decorate a stage, serve food, act as stage hands, sell advertising or even just put out signs. There are many ways to get involved and make a big difference as a CASA Ambassador.

Let us know your skill sets and we can put them to good use!

What do I do to get involved?

Simply complete the Ambassadors application and let us know what your strengths and talents are. You decide how you want to serve. As our team grows, together we will become a strong voice for Enotah CASA. We will provide the support needed to organize and implement events that help spread the word about our mis-
